

Amendments to the Claims

This listing of claims will replace all prior versions, and listings, of claims in the application.

Listing of Claims:

- 1-6. (Cancelled).
7. (Previously Presented) A process for producing a thermal transfer sheet according to claim 13, comprising stacking said hologram transfer layer onto said intermediate transfer medium by a thermal transfer method.
8. (Currently Amended) A process for producing a thermal transfer sheet according to claim 13, comprising stacking, through ansaid adhesive layer- receptive layer or said adhesive layer, said hologram transfer layer onto said intermediate transfer medium.
9. (Previously Presented) A process for producing a thermal transfer sheet according to claim 13, comprising stacking, through a pressure sensitive adhesive layer, said hologram transfer layer onto said intermediate transfer medium.
- 10-12. (Cancelled).
13. (Currently Amended) A thermal base-transfer sheet comprising:
 - a base material sheet; and
 - transparent transfer layers provided separably on the base material sheet, the transparent transfer layers comprise an intermediate transfer medium comprising a protective layer, and a hologram transfer layer provided on less than the entirety of the intermediate transfer medium;
 - wherein the hologram transfer layer comprises a hologram layer, and the ~~intermediate transfer medium comprises~~protective layer is coated with an emboss

hologram layer, a vapor deposition layer, and one of an adhesive layer-receptive layer, ~~a self-adhesive layer, and a pressure-sensitive~~ and an adhesive layer on which said hologram transfer layer is provided.

14. (Previously Presented) A thermal transfer sheet according to claim 13, wherein said hologram transfer layer is in a pattern form.

15. (Currently Amended) ~~The~~A thermal transfer sheet according to claim 13, wherein said intermediate transfer medium can absorb ultraviolet light.

16. (Previously Presented) An image formed object produced by the transfer of a thermal transfer sheet according to claim 13.

17. (Cancelled).

18. (New) A thermal transfer sheet according to claim 13, wherein said adhesive layer is a self-adhesive layer.

19. (New) A thermal transfer sheet according to claim 13, wherein said adhesive layer is a pressure-sensitive layer.
